Australia Awards - Mongolia

English language requirements factsheet

English language proficiency is essential to succeed in post-graduate studies at Australian universities. For an Australia Awards Scholarship application to be eligible, a valid IELTS (Academic), or TOEFL-iBT certificate must be included.

Overall requirements

To meet eligibility requirements for an Australia Awards Scholarship, a valid English language proficiency test certificate (IELTS (Academic), and TOEFL-iBT must be submitted with the online application. English language proficiency certificates are valid for two-years. Therefore, they must be dated no earlier than 1 January 2025.

Where an institution's academic English language requirement is higher than DFAT's requirement for the main course of study, the awardee must meet the institution's requirement.

Note: No exemption from providing an English language proficiency certificate is given to those who gained tertiary qualifications abroad in English.

For further details about English language scores, see the [*Australia Awards Scholarships Policy Handbook \(Section 2.4\)*](#).

IELTS

Applicants require an IELTS (Academic) score of 6.0 (with no individual band score of less than 5.5), or an equivalent Official TOEFL-iBT score [see table below].

Applicants require an IELTS (Academic) overall score of at least 6.5 with no band score less than 6.0 to be accepted into courses at Australian universities.

	IELTS	TOEFL-iBT

Applicants must meet the minimum requirement of the English language proficiency tests shown in this table to qualify to apply.

To be accepted into courses at Australian universities, applicants require TOEFL-iBT overall score of at least 4 (no band score less than 4).

Note: Only IELTS (Academic) scores are accepted for Australia Awards applications. General IELTS, TOEFL Test Home Edition, Institutional TOEFL and PTE Academic scores are not accepted and submitting these will result in an ineligible application.
